

## **April 28 welcome and announcements**

Welcome to worship on this morning.

The annual Spring sale is on May 18. The next meeting is today. Cyndy is coordinating. Be assured that there are chores for everyone in this event. Everyone is needed.

We have another work day next Saturday. We still have lots to do, so please come out – bring tools – so that we can rake some more of the gravel back into the parking lot, clean out some more of the wet weather stream behind the pavilion and do final chores before the Spring Sale.

Birthdays and anniversaries?
