

April 21 welcome and announcements

Welcome to worship on this morning. Thanks to everyone who came out yesterday morning for the first of our work mornings. We made good progress on cleaning up the wet weather stream, the area around the pavilion, the stray gravel from the parking lot and the sanctuary. We have another work day on May 4th to finish up whatever needs to be done to be ready for the Spring Sale visitors.

The annual Spring sale is on May 18. The next meeting is planned for next week—April 28th. Cyndy is coordinating. Be assured that there are chores for everyone in this event. Everyone is needed.

Well done to Polly and her team who have worked on the soup and sandwich events. Last Thursday was the last of these for this year.

Birthdays and anniversaries?
