

April 7 welcome and announcements

Welcome to worship on this morning. It has been another New England with more snow and wind. Let's pray that is the farewell tour by winter.

The annual Spring sale is on May 18. The first organizational meeting is planned for today after worship and fellowship. Cyndy is coordinating. Be assured that there are chores for everyone in this event. Everyone is needed.

The next soup and sandwich event is on Thursday, April 18th. Please mark your calendars. These are a great time for fellowship.

Please mark your calendars for the workdays planned for April 20th and May 4th. We have much to do and need lots of hands to make a dent in the work.

Birthdays and anniversaries?
