

March 31 welcome and announcements

Welcome to worship on this morning. It has been quite a week, with the snow of last weekend, lots of rain this week and the wind of this weekend. But, as we meet today we can remind each other that regardless of anything else, HE IS RISEN!

The annual Spring sale is on May 18. The first organizational meeting is planned for April 7th. Cyndy is coordinating. Be assured that there are chores for everyone in this event. Everyone is needed.

The next soup and sandwich event is on Thursday, April 18th. Please mark your calendars. These are a great time for fellowship.

Please mark your calendars for the workdays planned for April 20th and May 4th. We have much to do and need lots of hands to make a dent in the work.
